

Funding search: hit or miss, or missing the hits?

Michael Lowery Wilson

Injury Epidemiology and Prevention Research Group

2 November 2021

About me

Key areas of engagement

Field epidemiology, injury prevention, adolescent health, international development

Active in

Cameroon, Nigeria, Uganda, Tanzania, Kenya, South Sudan, Ethiopia

IEP - main funding agency targets since 2019

- Alexander von Humboldt-Stiftung
- German Research Foundation
- U.S. National Institutes of Health
- Private U.S. foundations
- Fulbright Finland

Elements to consider (based on our experience)

- Call-based or investigator-led?
- Affiliation matters
- Some agencies prefer a global south lead
- Overhead
